Throttling your engine will start the countdown to the race, so make sure you're ready to roll before you hit that pedal.	138	Y	Y	Dream version: we add a subtle crackling mic noise when Lo's TOAST appears to give the impression that she's directing you via headset
FTUE Race	banner text	Warm up your tires for better grip on the track!	49	N	N	
FTUE Race	LO TAKEDO (TOAST)	Keep your revs in the green zone for a perfect launch. Hold and slide up the pedal to rev up more.	99	Y	Y

FTUE Race	LO TAKEDO (TOAST)	Your needle's in the green! Change gears!	42	Y	Y	
After first race	VIC ESTRADA	Yo, the name's Vic Estrada. I saw you crush it in the qualifiers, no doubt about it. I founded Nitro Nation for racers like us – people who want to race for the love of the sport.	180	N	N	Can't implement in soft launch ftue
After first race (cont'd)	VIC ESTRADA	You go make yourself at home in the Festival – I won't hold you up any longer. Get out there and have some fun. Remember, it's not just about the competition, it's a killer party, too!	184	N	N	Can't implement in soft launch ftue

Select starter car 1 (cont'd)	LO TAKEDO	You didn't think you could keep racing in one of Dock75's rides, did you? Use that cash you won to get yourself a starter car. We've gotta make you race-ready.	159	N	N	
After you purchase your car	LO TAKEDO	Check out that ride! Looks like it's got some real potential, especially with a few upgrades.	93	Y	N	
Home – first time	LO TAKEDO	This is your home base on the tour. From here you can race, shop, or upgrade your car with ease. One-stop shop for all your needs, y'know?	138	Y	N

D-Tier INTRO	VIC ESTRADA	If you're seeing this, you've earned yourself a spot on the World Tour. You've got some skills behind the wheel, but let me ask you this: can you keep up with the best of the best? Only the baddest, most skilled racers make it out alive.	238	Y	N	Ideal implementation: text displayed over a "selfie view" of Vic, as if he's talking to the player via a tiktok or similar.
	VIC ESTRADA (cont'd)	But if you got that fire in your gut, that drive to win no matter what, then maybe you got a shot. Welcome to the big leagues, kid. Let's see what you're made of.	162	Y	N	
Post Race 1	LO TAKEDO	Looks like you won yourself some cash! You can use that to upgrade or customize your ride, or you can spend it in the Nitro Nation shop.	136	Y	N	
Race 2	NICO LEGASPI	Looks like we're up against each other in the next bracket. You better remember the name Nico 'cause it's the one you're gonna be seeing at the top of the leaderboard.	167	N	N	
Post Race 2	NICO LEGASPI (if the player loses)	There's only room for one champ on this track.	46	N	N	
Post Race 2	NICO LEGASPI (if the player wins)	Looks like you got lucky. Next time won't be so easy; I'm gunning for that top spot.	85	N	N	
Post Race 2	LO TAKEDO	I've been watching you handle that ride of yours. You've got potential, but with a few upgrades you could be the next big thing. What do you say? Wanna take this to my garage?	176	N	N	Take the player from the race to their workshop -- walk them through first upgrade
Nitros upgrade	LO TAKEDO	First things first, let's give you a nitro boost. Once we're done you'll be blazing past those other racers.	109	N	N	
Race 3	LO TAKEDO (toast)	Deploy your nitro with the new button on your dash. You'll get a boost of speed that'll leave your opponents eating your exhaust.	130	Y	N	
Post Race 3	NICO LEGASPI (if player wins)	Your mechanic knows her stuff, huh? You better thank her for hooking you up with the upgrade that handed you the win.	117	Y	N	
	NICO LEGASPI (if player loses)	Ha! Even with an upgraded ride, you couldn't cut it. Get used to staring at my taillights... you'll be doing that a lot this Festival.	134	Y	N

FESTIVAL AGNOSTIC shop intro	Banner	Welcome to the Nitro Nation World Tour shop, where winners come to gear up! Unlock new rides, upgrades and body kits to take your game to the next level.	153	N	N	This text should appear any time the player enters the shop for the first time.
Stage 2 intro	LITTLE TONI SAMARAS	What's up, speed demons! It's your girl, Little Toni, live and direct from Dock75. 	LITTLE TONI SAMARAS (cont'd)	You better rev those engines, because the big winners in this next stage might just get a taste of a sweet new race mode...	123	Y	N	
Race 2	LITTLE TONI SAMARAS	I haven't seen you around here before – you're one of Vic's newbies, aren'tcha? You can call me Little Toni. I pretty much run this whole Festival. So, you're welcome!	168	N	N	Is there a way to only make this text display the first time the player races Toni? i.e. if they lose race 2.2 and have to repeat the level, they shouldn't see this intro again.
	LITTLE TONI SAMARAS (cont'd)	You can show your gratitude by letting me kick your butt in a race. I mean... you didn't really think you could get away without racing me, did you?	148	N	N

Customization panel	BIG TONY SAMARAS	Hey, kid, the name's Big Tony Samaras. Back when I started, Dock75 was just a garage for gearheads and racers – now look at us, huh?	133	Y	N	This text/character intro should appear any time the player enters the customization panel for the first time.
	BIG TONY SAMARAS (cont'd)	You want to win races? You gotta have the right parts under the hood. Lucky for you, I got everything you need right here. Engines, body kits, custom paint jobs... I can make your ride look and run like a dream.	211	Y	N	This text/character intro should appear any time the player enters the customization panel for the first time.
Post Race 1	LO TAKEDO	Have you thought about a tune-up? If you don't give your car the love it deserves, you'll run into problems with speed, control, and performance. And trust me – that can really mess up your game.	195	N	N	
	LO TAKEDO (cont'd)	Come in for a tune-up any time, rookie. And if you happen to find any info on your car's peak stats, bring it my way. I'll plug 'em in and see what we can do.	158	N	N	
Post Race 3	KING PARCELL	Well, well, well. Where'd you come from? Keep it up and you might have the honor of racing the King.	101	N	N	The player did NOT race King in the first race. He just showed up to trash talk after you won.
Race 5	KING PARCELL	Look who's drivin' with the big boys! Let me tell ya... I've been racin' longer than you've been walkin'. But hey, don't stress. Maybe you'll get lucky and come in second place.	177	N	N	
Post Race 5	KING PARCELL	Hrmph. Well, sometimes ya win, sometimes ya lose. I guess I'll see you 'round.	79	N	N

Stage 4 intro	VIC ESTRADA	What's good, Nitro Nation crew? How's that asphalt feeling today? It's been a minute since I put the pedal to the metal, but you know I can't stay away from the track for too long.	180	N	N	Ideal implementation: text displayed over a "selfie view" of Vic, as if he's talking to the player via a tiktok or similar.
Race 1	NICO LEGASPI	Hey, I saw you race against Parcel. Gotta say, you know how to handle that beater of yours.	92	N	N	
	NICO LEGASPI (cont'd)	Don't let it go to your head though, alright? Doesn't mean the game's over... I'll be back and ready to take you on.	116	N	N	
Post Race 1	VIC ESTRADA	Yo, it's my rookie racers! You two keeping each other out of trouble? Or are you the ones causing it?	101	N	N	
	VIC ESTRADA (cont'd)	I'm gonna be on the track today – who knows, maybe I'll catch you two there. You can show me what you got and prove that you're Nitro Nation material.	150	N	N

Race 1	NICO LEGASPI	Let's hit the track. I'm ready to get a win under my belt.	59	N	N	
Race 2	GINA CESAR	That Nico kid's been riding you pretty hard, huh? Don't you think it's time to show him who's boss?	100	N	N	
	GINA CESAR (cont'd)	I don't think he'd be so smug if you raced him for his car and won. Racers make side-bets like that all the time. It's not cheating; it's just how things work around here	170	N	N	
Post Race 2	GINA CESAR	Don't forget what I said, okay? One pink slip race could score you a better ride and put that punk in his place. Think about it, but don't take too long. You gotta make your move before he gets cockier.	202	N	N	
Race 5	NICO LEGASPI	Gina tells me you're looking to race for pinks? You couldn't come tell me yourself? Whatever, it's on. My C-Tier car against your beater.	137	N	N	
Post Race 5	NICO LEGASPI (if the player wins)	Guess this car's yours now. But don't get too cozy in the C-Tier, 'cause I'll be right on your tail.	100	N	N	ideal implementation: text accompanied by a picture of Nico handing you a set of keys
	NICO LEGASPI (if the player loses)	Looks like the better racer came out on top. You're still in the D-Tier... if you can scrape up enough cash for a new ride.	123	N	N	
Loading back into your homescreen	LO TAKEDO	Hey, hey! Check out those wheels! I heard you won yourself a new ride... had to see it to believe it.	101	N	N	this is all win state dialogue for Lo
	LO TAKEDO (cont'd)	With a car like that, you're ready to advance to the C-Tier races. Bigger prizes, tougher competition... You're climbing the ladder, rookie!	140	N	N	this is all win state dialogue for Lo
	LO TAKEDO (cont'd)	If you need any fine-tuning or upgrades on your ride, I'm your gal. Otherwise, go hit the track and show 'em what that baby can do!	131	N	N	this is all win state dialogue for Lo
Loading back into your homescreen	LO TAKEDO (if the player LOSES)	I heard Nico won your ride. That's rough, rookie. Pink slip races can be serious business.	90	N	N	lose state dialogue
	LO TAKEDO (if the player LOSES)	Seems like it's time to hit the dealership and snag yourself a new car. Maybe a C-Tier ride, so you can start taking on those higher-stakes races!	146	N	N
